A powerful & fun program, for ALL students grades 8-12!

YOUTH & GOVERNMENT

United Nations

An outstanding opportunity for all students grades 8-12 to travel to the Minnesota State Capital and share in a rich and rewarding experience. With this program, young people learn to channel their ideas and passions into real change. No applications, no elimination process, just a whole lot of fun! Don't miss out on this special project, brought to you by your YMCA: providing programs that help the youth in our communities reach their full potential.

"The future belongs to young people with an education and the imagination to create." - Barak Obama
